

Sweden - Bangladesh Business Council

SBBC Internship Opportunity

(We only offer one internship at a time)

The internship is an opportunity for you as a student to gain valuable experience from practical work.

Desired Skills, Job Descriptions and Experience

We are looking for students who study a Bachelor or Master in any international oriented subject. The internship lasts 2 - 10 weeks but can be negotiated according to requirements from your school. You will have different tasks in our network-based organization.

1. Member services and register maintenance
2. Marketing and recruiting new members
3. Managing and updating Twitter, LinkedIn and Facebook
4. Preparing newsletters and presentations etc.

It is important to us that the selected candidate is a networking person. We also like you to be highly motivated and have an open mind. We assume that you are fluent in both spoken and written English. Self-discipline and being able to work independently is of key importance, as we do not have any office space. All work-related tasks will be distance-based.

Application Submission

Send your application incl. CV and cover letter to info@sbbc.se, marked "Internship".

Note: If you have not heard from us within four weeks, we have proceeded with other candidates. We wish you the best of luck.
